COMPONENTS LIST | 电子组件清单

Please check and make sure you get all the electronic components. Contact us if there are any missing parts.
请仔细检查并确保您已获取所有电子组件。如有任何缺失的部件，请与我们联系。

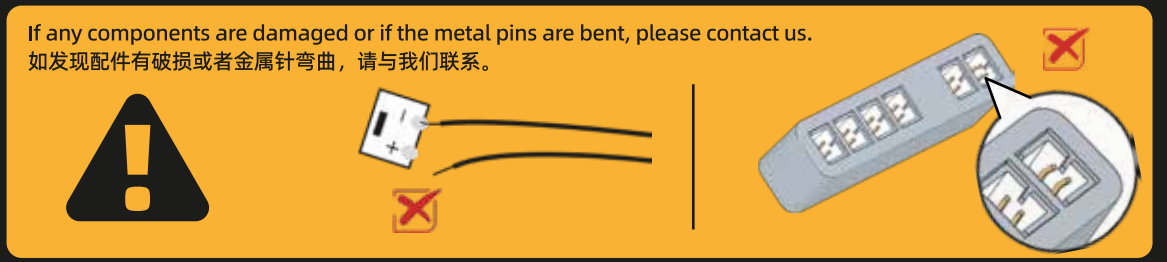

If any components are damaged or if the metal pins are bent, please contact us.
如发现配件有破损或者金属针弯曲，请与我们联系。

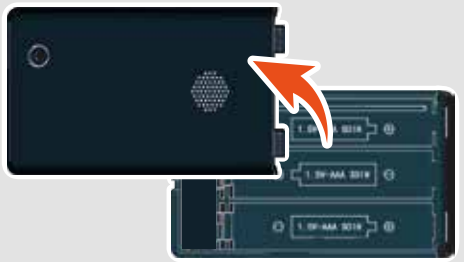

SAFETY PRECAUTIONS | 安全注意事项

1. If the electronic components are damaged or not working, please check the pre-use inspection guide or reach out to our customer service for help.
2. Avoid pulling on the power cable or connector, as this could cause damage.
3. Keep the product away from water to prevent any damage.
4. During assembly, please read and follow all instructions carefully to ensure a smooth testing process and optimal performance.

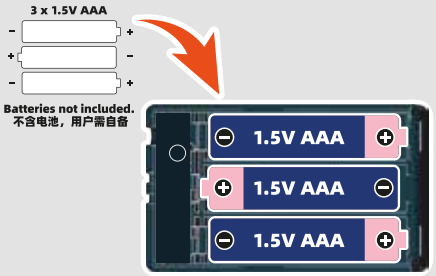

1. 如果电子组件损坏或不亮，请参考故障排除说明或联系我们的客服寻求帮助。
2. 切勿拉扯电源连接线，否则会造成损坏。
3. 切勿让产品接触到水，否则会造成损坏。
4. 在拼装过程中，请务必仔细阅读并遵循相关说明，以确保测试过程顺利且效果良好。

PRE-USE INSPECTION GUIDE

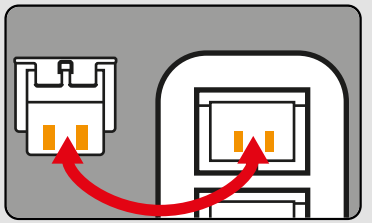

1. To enhance your experience, please check all electronic components according to this guide before starting assembly.
2. After checking, place the electronic components back into their original packaging for later use.
3. If you encounter any issues, please contact our customer service team.

1. 为提升您的使用体验，请在开始组装前按照本指南检查电子组件。
2. 检查完毕后，请将电子组件放回原包装袋，以备后续使用。
3. 若出现任何问题，请联系客服。
